

How to pick a **WINNING** SURGERY TEAM

4 SIMPLE STEPS

- Step 1: Confirm credentials and certifications.
- Step 2: Check ratings, number of surgeries performed, surgery outcomes, and complication rates.
- Step 3: Compare procedure charges and hospital costs. Calculate your out-of-pocket cost for the procedure.
- Step 4: **Realize that we already did that for you.**

INTRODUCING:

CENTERS OF EXCELLENCE

Premera's Designated Centers of Excellence or COEs are hospitals that meet high quality standards, have highly skilled healthcare providers, use advanced technologies and treatments, provide excellent patient experience, and have great surgical outcomes.

LOCATIONS

Contact Premera for a COE near you!

COVERED PROCEDURES

- Knee & hip replacement
- Spine surgery
- Cardiac care
- Cancer care
- Maternity
- Gene therapy
- Cellular immunotherapy
- Substance use treatment & recovery

SERVICES

Personalized support.
Let experts help coordinate care and schedule appointments for you.

Travel benefit.
If you live more than 50 miles away from the nearest COE, travel and lodging are paid for you and your companion. Arrangements must be made by Premera.

YOUR COST

Deductible and co-insurance are waived for covered procedures received at COEs, which means that procedures are covered in full by your insurance IF you make arrangements through Premera Customer Service BEFORE you get care at a COE. And, your travel is paid (up to \$7,500) if the nearest COE is 50+ miles away from your home.
